

A photograph of two people's hands shaking, set against a background of yellow and orange dots and lines. A magnifying glass is positioned over the word 'you', focusing on it. The text 'We're looking for you!' is overlaid on the image.

We're
looking
for
you!

What are you waiting for?

The time is now.

Join our team today and discover the benefits of working at TCP.

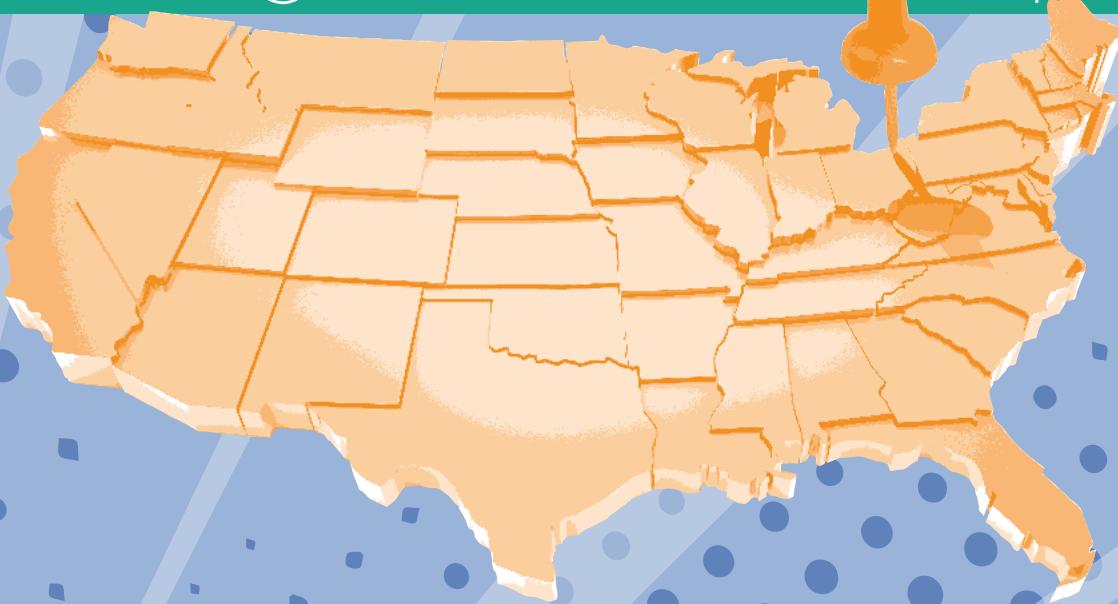

TCP is the home of lighting innovation.

Our valued employees are dedicated to being the best they can be – in every facet of our business – for each other, our customers, our partners, and our community.

TCP is focused on driving profitable growth by setting the benchmark for energy efficient lighting innovation, design, quality, value and exceptional customer service.

It's a Great Place to Work With a Large Global Footprint.

Our company was founded in 1993. It was born out of the idea that quality of lights equals quality of life. TCP's North American headquarters is in **Aurora, Ohio**, where our lighting products are developed.

Since the beginning, we've sold more than one billion energy-efficient lighting products. We have eight offices around the world, seven TCP-owned manufacturing facilities in China and a U.S. assembly for LED lamps and fixtures, as well as five warehouses in North America.

Driving new ideas for commercial, industrial and residential applications is a way of life here. As the world leader in energy-efficient lighting, we are dedicated to bringing our customers the best that the lighting industry can offer.

We offer one of the largest selections of ENERGY STAR-approved products and distribute them across North America and abroad. Our product line includes compact fluorescent lamps, linear and high bay systems, exit and emergency lighting, HID, energy-efficient linear fixtures, smart lighting and LED lighting products.

Offering Prospective Employees

A **Wealth of Opportunity**

in a **Culture of Caring.**

We are always looking for great talent. Especially if you are looking for a place with a culture of caring, where you can learn, grow and thrive. We have a wide array of openings across our organization.

For High School and College Students, Internships are available.

Contact our **Human Resources Department** for additional information at

330.995.6111 or visit the Careers page of our website, www.tcpi.com

We're Invested in our

Community

TCP takes the word **community** very seriously.

We believe strongly in **giving back**.
